Protecting your investment no matter
what size

Aaspen Boat & RV Storage is a family owned facility which serves boat, RV and commercial storage needs, in a variety of rates and sizes, from 7 x 12 to 16 x 76. This **TOTALLY ENCLOSED** facility is accessible 24/7 through a monitored gate.

Just a few of our most popular sizes are:

RV's:

- 13' or 15' x 31'
- 13' or 15' x 36'
- 13' or 15' x 40'
- 13' or 15' x 45'
- 13' or 15' x 76' Pull Through

Boats:

- 12' x 18'
- 12' x 26'
- 12' x 30'
- 12' x 38'
- 12' x 56' Pull Through

Call for Rates and Availability

Aaspen offers one of the largest selections of **TOTALLY ENCLOSED** units available in Central Oklahoma. One of the most attractive units offered is the enclosed pull-through.

Protect your investment

At our dry secure indoor storage facility

The advantages are:

- Eliminates damage from hail and rain
- Reduces exposure to vandalism and theft
- No solar, ozone or weather damage
- No paint or gel coat oxidation
- No tire cracking
- No bleaching or rotting of canvas covers or awnings
- No rust or corrosion buildup
- No water spots on mirrors or windows
- Your vehicle stays cleaner and saves you money on annual maintenance
- No damage to wood, window tints, upholstery and fabrics from UV rays

Amenities:

1. 24 / 7 Access
2. Security Alarms on every unit
3. Digital Surveillance Cameras
4. Dual Height Key Pads to accommodate RV's and Auto's
5. Each Stall is Individually Lit
6. Electricity in every Unit - 20 Amp convenience receptacle : Some with 30 Amp
7. Dump Station with flush water
8. Each Unit Is Locked Individually by customer
9. All Concrete Pads with Asphalt Driveways
10. Large 65+ Feet Driveways that are well lit
11. Compressed Air
12. Daily Exterior Inspections
13. High Quality Stainless Steel Locks Available
14. Potable Drinking Water
15. Online account access

Each unit has individual alarms with an individual key code specific to them, and them alone, so when you enter the gate it will shut off your security door alarm. When you leave the facility it will rearm your door, ensuring your investment is safe and secure. When entering our facility at night, you will find it very well lit.
